DNP Capstone Timeline for May 2014 Graduates

The student should:

1. Apply for graduation now. The deadline is **February 16**.
2. Submit the completed project paper to capstone chair by the **week of March 9**. This gives the chair two weeks to read the paper, get back to the student, and have changes made.
3. Send the revised paper to the committee for their review by the week of **March 23**. This will give them 2 weeks to read the paper and make comments.
4. Contact Jeff Wilson and ask him to prepare the papers to apply for the Shuttle Sheet no later than **March 23**.
5. Schedule the Capstone presentation for the week of **April 6**. This gives the student 2 weeks to make revisions and get the paper back to you for your approval before the ETD deadline.
6. Submit the paper via the ETD process. The deadline is **April 24**.
