SUMMER 2015 NURSING POSITIONS

Camp Rim Rock for Girls is an overnight camp located in Yellow Spring, W.V. The camp is located approximately 60 miles west of Dulles Airport (serving the D.C. area) and is a three and one half hour car ride from the Philadelphia area.

We are looking for nurses for a 1 or 2 week session.

Camp Rim Rock is a general camp featuring horseback riding, arts (performing and visual), aquatics, sports and numerous fun activities day and night! We have campers from all over the country, as well as girls who travel from around the world.

Camp Rim Rock operates for nine weeks each summer. We feature one week horseback sessions at the beginning and end of the summer. The rest of the summer we have three 2 week general camp sessions.

We have a modern, air conditioned infirmary where we have two private rooms for nurses with a shared bathroom and two large rooms to house campers and staff who require medical attention. They share two bathrooms. We are located thirty minutes from Winchester Medical Center, a regional trauma center. We have daily access to medical professionals (as needed) including Pediatricians, Orthopedists, Dentists and Orthodontists.

Every summer we are fortunate to have returning nurses (some attend with their daughters) and are always looking for qualified nurses to join our staff. We encourage our nurses to take advantage of our facilities and activities. Please take a look at our website - www.camprimrock.com to see photos of our campers, staff and facilities.

If you are interested in more information, please contact robin@camprimrock.com.
