

FNP Progression Plans

Full-Time						
	Fall		Spring		Summer 1	
Year 1	622 Theory	3	626 Health Promotion	2	629 Adv Practice/Families 633 Primary Care I	2 3
	623 Concepts	2	631 Pharmacology (FNP only)	3		
	624 Pathophysiology	4	627 Research	5		
			632 Adv. Assess.	2		
	Total	9	Total	12	Total	5
Year 2	634 Primary Care 2	4	636 Practicum 2	5	PROGRAM TOTAL	44
	635 Practicum 1	5	628 Health Policy	3		
			685 Clinical Scholarship	1		
	Total	9	Total	9		

Option 1: Accelerated Part-Time						
	Fall		Spring		Summer 1	
Year 1	622 Theory	3	626 Health Promotion	2	629 Adv Practice/Families	2
	623 Concepts	2	627 Research	5		
	Total	5	Total	7	Total	2
Year 2	624 Pathophysiology	4	631 Pharmacology (FNP only)	3	633 Primary Care 1	3
			632 Adv. Assess.	2		
			628 Health Policy	3		
	Total	4	Total	8	Total	3
Year 3	634 Primary Care 2	4	636 Practicum 2	5	PROGRAM TOTAL	44
	635 Practicum 1	5	685 Clinical Scholarship	1		
	Total	9	Total	6		

Option 2: Regular Part-Time						
	Fall		Spring		Summer 1	
Year 1	622 Theory	3	626 Health Promotion	2	629 Adv Practice/Families	2
	623 Concepts	2	627 Research	5		
	Total	5	Total	7	Total	2
Year 2	624 Pathophysiology	4	631 Pharmacology (FNP only)	3	633 Primary Care 1	3
			632 Adv. Assess.	2		
	Total	4	Total	5	Total	3
Year 3	634 Primary Care 2	4	628 Health Policy	3	PROGRAM TOTAL	44
	Total	4	Total	3		
Year 4	635 Practicum 1	5	636 Practicum 2	5	PROGRAM TOTAL	44
			685 Clinical Scholarship	1		
	Total	5	Total	6		

* Students choosing Option 2 will need to take additional continuing education pharmacology credits before applying for prescriptive authority
