<b>Total Credits</b>						<b>30 - 37***</b>

\*A total of 1,000 hours post-baccalaureate supervised clinical experience is required prior to graduation (this includes clinical hours accrued during the MSN program). WVU SON requires 400 hours of immersion to be completed in the DNP program (100 of those hours are credited for the DNP project).

\*\*A minimum of 6 credits of Final Project is required prior to graduation.

\*\*\*Individual progression plans to be developed based on previous course work.
