DNP Full-time Progression

	Fall		Spring		Summer	
Year 1	NSG 704 Foundations of Leadership for the Advanced Practice Nurse NSG 739 Scientific Underpinnings for the DNP-Prepared Advanced Nursing Practice Role **Total Credits**	3 3 **6**	NSG 707 EBP Methods NSG 754 Advanced Informatics & Healthcare Technologies **Total Credits**	3 3 **6**	NSG 745 Clinical Immersion* NSG 829 Clinical Data Analysis and Visualization NSG 830 DNP Project Development** **Total Credits**	1 3 2 **6**
Year 2	NSG 702 Population Health Promotion NSG 745 Clinical Immersion* NSG 831 DNP Project Implementation** **Total Credits**	3 1-2 1-2 **5-7**	NSG 710 Advanced Nursing Practice Issues, Policy, and Ethics NSG 745 Clinical Immersion* NSG 831 DNP Project Implementation** **Total Credits**	3 2-3 1-2 **5-7**	NSG 745 Clinical Immersion* NSG 832 DNP Project Presentation **Total Credits**	1-2 1 **2-5**
Year 3	NSG 745 Clinical Immersion* NSG 832 DNP Project Presentation **Total Credits**	2-5 1 3-6				
					Total Program Credits = 32*	

Total clinical immersion hrs—at least 5 credits. A total of 1,000 hours post-baccalaureate supervised clinical experience is required prior to graduation (this includes clinical hours accrued during the MSN program). WVU SON requires at least 400 hours of immersion to be completed in the DNP program (180 of those hours are credited for the DNP project).

**Total DNP project hrs—at least 6 credits. NSG 830, 831, and 832 count toward project hours; NSG 831 is the implementation course and the number of credits (minimum, 2) vary depending on the depth, breadth, and timeline of a student's project.

***Individual progression plans to be developed based on previous course work. Total credit hours will vary based on the verification and approval of course work and/or post-baccalaureate precepted clinical hours gained prior to admission to the program.
